1. Tell us about yourself and your experience in your neighborhood and in Nokomis East?

I have been a resident of the Keewaydin neighborhood for ten years. I live there with my husband (Jeremy) and two sharpie's (Tyson and Milo). I have been interested in the organization because of all the events they have organized over the past few years and how they actively seek out community feedback.

2. Why are you interested in serving on the NENA Board of Directors? Describe your interests, skills, experience, hobbies, volunteer work or community involvement that will help your service on the Board?

My interest in serving as a Board member is that I appreciate the importance of being involved in one's community. It's very easy to complain or question the direction of the neighborhood when you're not a part of the solution process. I want to be part of the solutions and I believe my 17 years of experience in government will allow me to be a positive, proactive, engaging board member. I have been on a number of Boards and committees throughout Minnesota and embrace the concepts of working as a team to find resolutions and asking for feedback from the community. I am currently the Chair of a Statewide committee called the MN Evidence Based Policy team, which works with three correctional delivery system and community stakeholders to reinforce and support best practice with working with offenders in the community and prisons. I am also active as a co-chair in the MN Motivation Interview Forum and the MACCAC Agent Conference Planning committee.

My hobbies include biking, fishing, Boundary water trips, working out, and gardening.

3. What hopes, goals and concerns do you have for your neighborhood and Nokomis East?

My hope is that this organization continues to grow and provide community events that bring people together. The organization has come a long way in a short period of time and I would love to be a part of the growth and community building. As new members become involved, I see this organization thriving and becoming even more of an area that people would love to live and/or visit.

4. What hopes, goals and concerns do you have for NENA?

My hope is that NENA continues to seek community feedback on what the community needs/wants and what their opinions are concerning proposed changes in the area. Also, that NENA continues to be the "go to" resource when people have questions about their neighborhood and ways to improve areas.

5. How will you reach out to the community during your Board term?

I plan to be an active member on committees, attend community events and National Night Out events in the area and talk to people about what their hopes and concerns are about the neighborhood/NENA.

6. What additional organizations, programs and events are you involved with?

Three organizations already listed prior:
Minnesota Evidence Based Policy Team
Minnesota Motivational Interviewing Forum
MACCAC Agent Conference Planning Committee
