1. Tell us about yourself and your experience in your neighborhood and in Nokomis East?

I am an Army veteran with a wife and 2 small children. We moved to the Keewaydin neighborhood after getting out of the Army 4 years ago. We love living here and close proximity to Lake Nokomis, the business district of 34th Ave, and all of the green spaces.

2. Why are you interested in serving on the NENA Board of Directors? Describe your interests, skills, experience, hobbies, volunteer work or community involvement that will help your service on the Board?

As a veteran there is a need to continue serving in one capacity or another. To create a better world for my children to grow up starts in my own back yard. Creating an safe and clean environment is very important to me as I am trying to teach my children how to respect and nurture what we have. I am really looking to gain a stronger connection to our local community by serving on the board and making Nokomis East one of the best places in the city to raise a family.

3. What hopes, goals and concerns do you have for your neighborhood and Nokomis East?

My goal for Keeywadin is to have a safe and strong community that continues to promote small businesses in our local community. Work to continue having strong schools in our neighborhood that keeps our neighborhood kids in the neighborhood.

4. What hopes, goals and concerns do you have for NENA?

The hope for NENA is to continue the work by the current board to make sure that OUR neighborhood continues to be OUR neighborhood. Make all of our neighbors to have a voice.

5. How will you reach out to the community during your Board term?

Being active on committees, being at our neighborhood events and being an appropriate resource for our neighborhood.

6. What additional organizations, programs and events are you involved with?

Mall of America's Yellow Ribbon Program and specifically coordinating the Veteran's Resource Fair as part of the Mall's Holiday for Heroes Event.

I am currently a Project Manager for the local chapter of Team Red, White, Blue (a veteran non-profit). The mission is to enrich the lives of Veterans by connecting them back to their community through physical and social activities.
