### 1. Tell us about yourself and your experience in your neighborhood and in Nokomis East?

My family and I have lived in the Nokomis area since Spring, 2004. My husband and I bought our house while still in college and have loved living in the neighborhood. We now have two children and spend time walking around Lake Nokomis, going to the parks, etc... A couple of years ago, I took over the responsibility of the NNO organization. It has been nice to get to know more about the our neighbors on the block.

**2. Why are you interested in serving on the NENA Board of Directors? Describe your interests, skills, experience, hobbies, volunteer work or community involvement that will help your service on the Board?**

In taking over the responsibilities of NNO, I realized I didn't know many of my other neighbors in Nokomis. Also having small children, I want to be aware of the community where they are growing up. I want to be involved in shaping the Nokomis area, whether that be serving on a committee or helping organize a volunteer event that will enhance the neighborhood. My experience has been working in a corporate setting, but I am interested in getting back involved in the community. Over the last couple of years, I have realized too, that the volunteering that is sponsored by my work, provides such great benefits to those it serves.

**3. What hopes, goals and concerns do you have for your neighborhood and Nokomis East?**

The neighborhood has grown even since moving into it in 2004. Having children, I want to see our neighborhood come together. Lake Nokomis itself, I feel, creates such great opportunities. I feel that the redevelopment of the Bossen Field (which we live right by), is awesome. I would like to see the neighborhood keep thriving and maintain a level of safety for families that have made the decision to live in Wenonah and the Nokomis East neighborhood!

**4. What hopes, goals and concerns do you have for NENA?**

Up until a year or so ago, I didn't even realize that NENA existed. I feel that the board and those working through NENA have done an awesome job! With ever-changing funding due to state and federal lawmakers, I have a little concern about funding. However, I feel that that more the neighborhood is engaged and participating, I would think the future for NENA is a bright one.

**5. How will you reach out to the community during your Board term?**

I am open to how we should be reaching out into the community. I know I am open to social media (Facebook, etc...), however there are other means of communicating what is happening in the neighborhood/Board decisions, that may better be communicated through a newsletter, perhaps face-to-face through other meetings or walking around our neighborhood.

**6. What additional organizations, programs and events are you involved with?**

Most of my involvement is through volunteering through my work. We have volunteered through Second Harvest Heartland, Ronald McDonald House, Feed My Starving Children, and through United Way and Habitat for Humanity. I am also getting more involved in my children's school, volunteering when I can.
