This year’s CPP Annual Report is designed to provide neighborhood residents, local public officials and others with timely reports about work being carried out by organizations and offer a comprehensive look at the priorities neighborhoods share throughout the city.

**Report Basics:**

- Please report on activities during the 2018 calendar year.
- Please keep your answers brief. For example, a paragraph or two should suffice for questions requiring a narrative response.
- We are looking for quotable highlights of your work.
- Pictures that help tell your story are especially appreciated. Please email them to us at ncr@minneapolismn.gov
- For your **2018 HIGHLIGHTS**, please think about examples of work that you want to share with other neighborhood organizations.
- **Questions?** Please contact your Neighborhood Support Specialist at NCR.

**PLEASE COMPLETE AND SUBMIT YOUR 2018 CPP ANNUAL REPORT BY FRIDAY, MARCH 15, 2019**

16. **Are there any challenges or struggles that your organization has had this year that you'd like to share?** (This answer will NOT be published)

   The uncertainty of the Neighborhoods 2020 process and outcomes.

**PLEASE DESCRIBE ONE OR TWO MAJOR HIGHLIGHTS**

17. **MAJOR HIGHLIGHT #1**

   When planning for 2018 projects, the NENA Green Initiatives Committee identified two main obstacles for residents seeking to gain environmentally sustainable lifestyle habits. The first was a lack of knowledge needed to effectively form the habit, and the second was a fear of judgement or intimidation around their lack of environmental knowledge. In response, the committee launched the first Nokomis Green Fair, with 21 exhibitors and two presentations covering a wide variety of topics in a judgement-free atmosphere. Exhibitors were required to have an interactive element to their booths to encourage hands-on learning. Visitors were able to grab a free food scrap bin, view the solar energy potential of their roofs, or check out a variety of electric vehicles. The event was a big success, attracting 205 people. It planted the seeds for an expanded version, the South Minneapolis Green Fair, which will be hosted by NENA, Standish-Ericsson Neighborhood Association, and Longfellow Community Council in 2019.

18. **MAJOR HIGHLIGHT #2**

   NENA worked with a father and son team who lives in the Bossen area to plan out a community desire. From these conversations, the *Liga Latina Sabatina / Bossen Latino Youth Soccer League* was born. NENA worked
with the Minneapolis Park and Recreation Board to obtain space, goals, flags and soccer materials for the matches. The father and son recruited 14 teams, volunteered hundreds of hours and allowed 420 youth from 7-12 and women to play soccer for free each Saturday from May until September. NENA hosted the Season End Celebration on September 22. We received a ReCAST grant to help purchase trophies and medals for the players. It was chilly morning start to the celebration, but teams gave it their all to beat their opponents in order to hold a first place trophy and enjoy an ice cream treat. Mayor Jacob Frey and Council Member Jeremy Schroeder were on hand for the U.S. and Mexican national anthems and to start the tournament.

_We'd love to share your highlights with others._
