

**Nokomis East
Neighborhood Association**

A Bike Rack for your business at **no cost** to you

Nokomis East Bike Rack Program

In an effort to create more bicycle parking for local businesses throughout the Nokomis East neighborhood the Nokomis East Neighborhood Association (NENA) and the Nokomis East Business Association (NEBA) are offering an opportunity for businesses and organizations to acquire a bike rack, or multiple bike racks, **at no cost**.

Using the City cost share program NENA will pay 50% of the total expenses and the City will pay 50%, leaving no costs for the business.

What will the racks look like?

This is an example of the type of racks we will be installing. Racks are available individually or in a group such as this example.

These racks will be installed on the right-of-way, near the street.

How to apply

Complete the sign up

Fill out the "Sign up" section below.

Submit the form

Submit the filled out sign up form to
nena@nokomiseast.org or mail to
4313 E 54th St, Minneapolis, MN 55417

Review process

Staff will review and respond to verify receipt and timeline.
